Introduction

There are four main directions - East, West, North and South as shown below:

There are four cardinal directions - North-East (N-E), North-West (N-W), South-East (S-E), and South-West (S-W) as shown below:

Concept and Definitions

- **At the time of sunrise if a man stands facing the east, his shadow will be towards west.**

- **At the time of sun set, the shadow of an object is always in the east.**
- **If a man stands facing the North, at the time of sunrise his shadow will be towards his left and at the time of sunset it will be towards his right.**

- **At 12:00 noon, the rays of the sun are vertically downward hence there will be no shadow.**
