Keep These Ready Before You Start

- A working **email ID** (use the same email for CodeVita and TCS NextStep)
- Your **mobile phone** with the **Microsoft Authenticator** app installed
- Your **mobile number** for OTP verification
- Academic details: **year of graduation**, course and branch

Registration Flow

PART A Create Your TCS CodeVita Account

Step 1: Open the CodeVita portal and click Register now

Go to https://codevita.tcsapps.com/. Click the **Register now** button in the middle of the page (or **Login** at the top-right).

Step 2: On the Sign in page, click Register

Since you are a new user, click **Register** next to "New user?" at the bottom of the box.

After your account is created, you will use this same page to **Sign In** every time.

Step 3: Fill in the registration form

1. **Country/Region:** select **India**.
2. **First Name** and **Last Name**: exactly as in your college records.
3. **Email:** your active email ID.
4. **Username:** choose a username and remember it. Hover on "Policy" to see the rules for each field.
5. Tick the **consent** checkbox.
6. Click **here** to open the Terms and Conditions, click **Accept**, and tick the second checkbox.
7. Click **Register**.

Step 4: Verify your email ID

Open your mailbox and click the **verification link** sent by TCS CodeVita.

If you don't see it in your Inbox, check the **Spam / Promotions** folder.

Still not received? Click **Click here** on this page to resend the email.

Step 5: Set up Mobile Authenticator (One-Time Code)

1. Install **Microsoft Authenticator** on your phone: Android / iPhone.
2. Open the app, tap **+ Add account**, and **scan the QR code** shown on your screen.
3. The app shows a **6-digit code**. Type it in the **One-time code** box and click **Submit**.
4. You will need a fresh code from this app **every time you log in**.

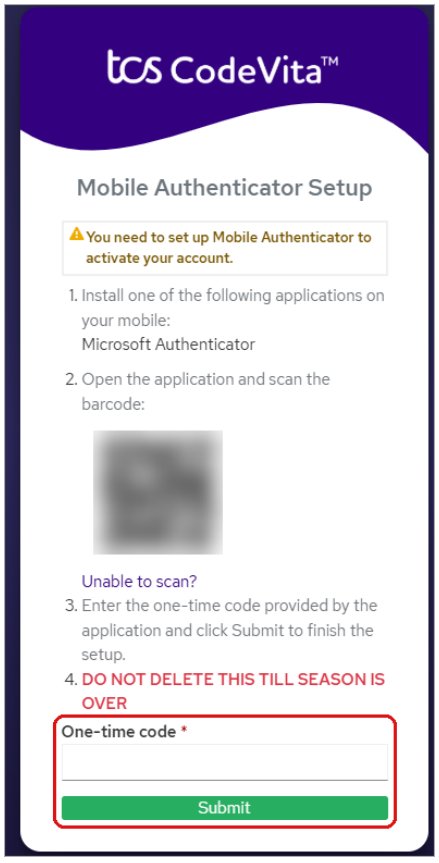

Figure 5: Mobile Authenticator setup (QR hidden)

DO NOT DELETE the Authenticator account until the season is over. If it gets deleted by mistake, click 'Deleted OTP Account?' on the Sign in page, enter your username/email and follow the instructions sent to your email.

Step 6: Verify your contact number

After login, your profile page opens. Enter your **Contact No**, click **Send OTP**, and enter the OTP received on your phone. The timer at the top shows the **Profile Completion Deadline**.

Step 7: Profile details form appears

You will now see the remaining profile fields. The **CT/DT Reference ID** comes from the TCS NextStep portal. If you don't have one yet, keep this tab open and go to **Part B**. If you already have your CT/DT ID, go straight to **Part C**.

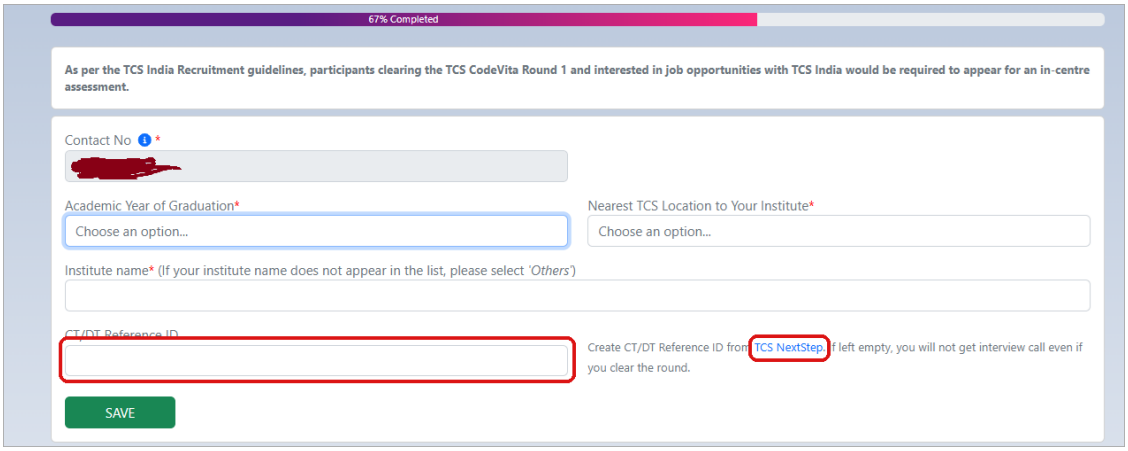

Figure 7: Profile form – CT/DT Reference ID field and TCS NextStep link

Why the CT/DT ID matters: As shown on the portal, if the CT/DT Reference ID is left empty, you will not get an interview call even if you clear the round. Participants who clear Round 1 and want TCS India job opportunities must appear for an in-centre assessment.

PART B Get Your CT/DT Reference ID (TCS NextStep)

> **Already registered on TCS NextStep (for NQT or earlier)?** Do NOT create a new account. Just log in (Step 3) and copy your existing Reference ID.

Step 1: Open the TCS NextStep portal

Go to https://nextstep.tcsapps.com/indiacampus/ (or click the **TCS NextStep** link on your CodeVita profile page).

- **New user:** click **Register Now** and follow Step 2.
- **Already registered:** click **LOGIN HERE** and go to Step 3.

Step 2: New users only: register on NextStep

1. Select the category as **IT**.
2. Enter and verify your **email ID** with the OTP sent to it.
3. Fill in your personal details (name exactly as in your certificates, date of birth, mobile number).
4. Fill in your qualification details. For the institute, search **Aditya Engineering College**;
5. Create a password, enter the captcha and submit. Check your details in the pop-up and click **Confirm**.
6. Your **CT/DT Reference ID** is displayed and also sent to your email. **Note it down.**

Step 3: Log in to NextStep

Enter your **Email ID or Reference ID**, type the captcha, click **Request OTP**, and enter the OTP sent to your email. (New candidates can also click **Register Now** on the right side of this page.)

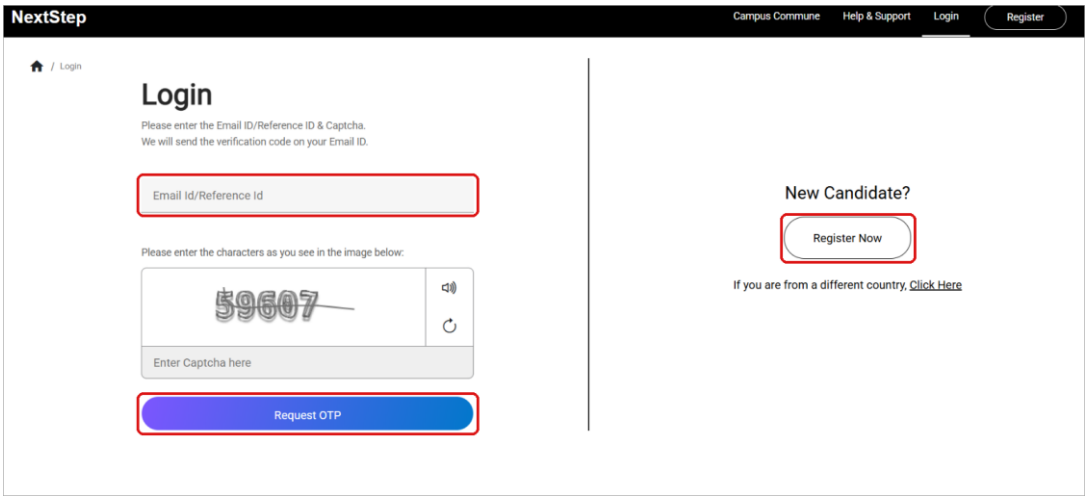

Figure 9: TCS NextStep login page

Step 4: Open your profile menu

After login, the NextStep home page opens. Click the **profile icon** at the top-right corner.

PART C Complete Your CodeVita Profile

Step 1: Fill the remaining fields and click SAVE

Back on the CodeVita profile page (https://codevita.tcsapps.com/), fill in:

Field	What to enter
Academic Year of Graduation	Your passing year (2027 / 2028 / 2029 / 2030)
Nearest TCS Location to Your Institute	Choose the TCS location nearest to your college from the list
Institute name	Search **Aditya Engineering College.**
CT/DT Reference ID	Paste the ID you copied in **Part B**. Do not leave this empty.

Then click **SAVE**.

Step 2: Confirm your profile shows 100% Completed

This is the final confirmation. The progress bar at the top must turn green and show **100% Completed**. Take a **screenshot** of this page and keep it for your records.

✓ After Registration – Tips & Common Issues

Problem	Solution
Verification email not received	Check Spam/Promotions. Use "Click here" on the Email verification page to resend.
Authenticator deleted / new phone	Click "Deleted OTP Account?" on the Sign in page and follow the email instructions.
"User already logged in" message	You closed the browser without logging out. Wait 15 minutes and try again.
Forgot CT/DT Reference ID	Log in to TCS NextStep and click the profile icon (Part B, Steps 3–5). It is also in your NextStep registration email.

- **Attend the MockVitas:** practice rounds that work just like the real contest.
- **Session timeout:** you are logged out after 15 minutes of inactivity.

- **Save your code locally:** code in the browser is lost if the browser is closed.
- **Code attribution:** if you use code from any website, declare the exact URL before submitting, or it may be treated as plagiarised.
- **Create only one account** on each portal.
- **Beware of fake links:** register only on codevita.tcsapps.com.
